EXPERIENCE

2023 – Present

Founder | Web Designer & UX/UI Designer RH Designs

- Designed and developed responsive WordPress websites for Australian service-based businesses.
- Created website layouts, wireframes and user interfaces using Figma.
- Built websites with Elementor, focusing on usability and responsive design.
- Designed branding assets including logos, colour palettes and marketing materials.
- Applied SEO best practices to improve website performance and visibility.
- Collaborated directly with clients to understand business goals and deliver tailored digital solutions.
